MESSAGE

It is gratifying and honour for me to write this message for the Prospectus for admission in MBBS course of Suleman Roshan Medical College Tando Adam Sindh. Indeed this Prospectus will guide the interested candidates during the entire MBBS Course.

There was a dreadful need of establishing college to overcome the shortage of Doctors who can serve ailing humanity in remote areas of Sindh province, keeping in view the fact Suleman Roshan Medical College Tando Adam has been established under the passion vision of Senator Mr. Imamuddin Shouqen. Suleman Roshan Medical College comprises of 100 seats, offers a five (5) Years study course which leads to the award of MBBS degree.

A well & fully equipped Suleman Roshan Medical College Hospital with 500 Beds is attached to this college for imparting clinical teaching/training to the students. Clinical Professors, Associate Professors, Assistant Professors, Senior Registrars of this College are providing consultant's cover to the attached teaching hospital.

The Administration of SRMC Tando Adam is struggling hard for the quality education, research, learning environment, competent and experienced faculty and infrastructure, equal to any renowned Medical College of the country, to produce high and distinctive quality graduates and to offer best patient-care. For this purpose it is all the times in strenuous efforts to assert and assemble all modern teaching, training, & research facilities. I am thankful to all the faculty members for their valuable input and support towards achieving these goals.

I wish a successful future to all the students in their professional career.
