SEEF endeavors to bring best educational opportunities to the less privileged and talented youth of Sindh in order to bring them at par with the more fortunate ones. It plans to award scholarships to talented and needy students who showed outstanding performance in their tehsils/districts in the Secondary and Intermediate Examinations. In the first phase, SEEF awarded 5000 scholarships to students, including medical and dental students, on the basis of their tehsil / district-wise merit.

While adopting a pro-active approach, SEEF itself contacts the eligible students. Subsequently, after obtaining the relevant data from BISEs, SEEF writes letters to prospective students informing them that they have been shortlisted for scholarship. On the basis of applications received for Merit scholarships & under Special Quota Category, SEEF after verification of student credentials, will finalize lists of the selected candidates and will write confirmation letters and will award the "SEEF Scholarship" to successful students.
