

SULEMAN ROSHAN COLLEGE

OF NUTRITION & FOOD SCIENCES TANDO ADAM

PROSPECTUS – 2025

FOR

BS

NUTRITION & FOOD SCIENCES

4 Years Degree Program

Affiliated with:

UNIVERSITY OF SINDH, JAMSHORO

Vision

**“Transformation of Human Health status
through better Nutrition and Food”**

Mission

**"Our mission is to provide advanced knowledge in the fields of
Nutrition and Public Health by improving well-being of
Humans at Local, National and International levels
through cutting-edge Research."**

MESSAGE

Dear Students, Faculty, Staff, and Esteemed Members of the Community.

It is with immense pride and joy that I welcome you to Suleman Roshan College of Nutrition and Food Sciences—an institution born from a vision to address the critical health challenges of our time and to advance the science of nutrition and food in meaningful ways.

The foundation of this college was built upon the belief that the future of global health depends on the knowledge, innovation, and action we take today. With an unwavering commitment to excellence in education, research, and community service, our college aims to empower students to become leaders in the fields of nutrition, food science, and public health.

Through dedicated scholarship, hands-on learning, and a strong connection with the global health community, we aspire to create change—improving diets, promoting sustainable practices, and ensuring access to healthy, nutritious food for all. Our mission is not only to provide cutting-edge academic programs but to also inspire the next generation of scientists, educators, and advocates who will shape a healthier, more sustainable world.

I am truly humbled by the progress we have made and deeply grateful to our faculty, students, and partners for their dedication to this cause. Together, we will continue to build on this foundation, pushing the boundaries of knowledge, fostering collaboration, and making a positive impact on individuals and communities alike.

Let us move forward with passion, purpose, and a shared commitment to the betterment of society through nutrition and food sciences.

With sincere regards,

Imamuddin Shouqeen

Founder & Chairman

MESSAGE

Welcome to the Suleman Roshan College of Nutrition and Food Sciences!

As the CEO, I am excited to lead an institution dedicated to advancing education, research, and community impact in the fields of nutrition and food science. Our college is committed to addressing global challenges such as food security, nutrition-related health issues, and sustainable food systems.

Through cutting-edge programs and research, we equip students with the skills to become leaders in nutrition, food safety, food technology, and public health. Our focus on innovation, hands-on experience, and interdisciplinary collaboration ensures our graduates are prepared to make a meaningful impact in their careers.

Thank you for choosing to be part of our vibrant community. Together, we will contribute to building a healthier and more sustainable world.

Prof. Dr. Azam Hussain Yousfani

Chief Executive Officer

MESSAGE

Dear Students, It is both an honor and a privilege to welcome you to the Suleman Roshan College of Nutrition and Food Sciences, a place where knowledge, passion, and purpose come together to drive positive change in the world of nutrition, food science, and public health.

As Principal of this esteemed institution, I am deeply committed to fostering an environment that empowers students to excel academically, grow personally, and make meaningful contributions to the world. Our college is more than just an academic institution; it is a community of individuals who are passionate about improving lives through nutrition, advancing food science, and ensuring the sustainability of our global food systems.

In today's world, the need for experts who understand the complexities of nutrition, health, and food security has never been greater. Our curriculum is designed to equip students with the latest scientific knowledge, practical skills, and ethical understanding to address some of the most urgent challenges we face—from fighting global hunger and malnutrition to ensuring safe and sustainable food production practices.

Our faculty, who are experts in their fields, are dedicated to providing a rich, interactive learning experience that emphasizes both theory and hands-on practice.

As we move forward, we will continue to strengthen our ties with industry leaders, global organizations, and local communities to create opportunities for students to apply their knowledge in real-world settings. Whether through internships, research collaborations, or community outreach programs, our students gain valuable experiences that make a lasting impact on their personal and professional lives.

I encourage you to take full advantage of the resources, opportunities, and support available at our college. Your journey here will be a transformative one, and I am confident that you will leave as well-rounded professionals ready to shape the future of food, nutrition, and health.

Porf. Dr. Atta Muhammad Chandio

Principal,

Suleman Roshan Medical College

MESSAGE

Welcome to the Suleman Roshan College of Nutrition and Food Sciences. I am thrilled to guide you on your educational journey in this dynamic field. Our college offers a comprehensive curriculum designed to provide you with the latest knowledge and practical skills in nutrition, food science, and public health.

We are committed to academic excellence, fostering critical thinking, innovation, and real-world application. With a focus on both theory and hands-on learning, our programs prepare you to tackle the complex challenges of nutrition and food systems.

Through rigorous coursework and cutting-edge research, we empower students to become experts in their fields, equipped to make a lasting impact on society. I am proud to teach and mentor the next generation of professionals who will drive innovation in food security, nutrition, and sustainability.

I look forward to supporting you in your studies and helping you succeed as a future leader in this vital field.

Prof. Dr. Allah Bux Ghanghro

OVERVIEW

The Suleman Roshan **College of Nutrition and Food Science**, Tando Adam is an academic institution dedicated to the study of nutrition, food science, and the relationship between diet, health, and food systems. There is an excellent academic environment and infra - structure available for the undergraduate Students and Postgraduate Research Scholars. The lecture halls, Tutorial / Demonstration Rooms and Laboratories are fully furnished and well equipped with modern audio-visual aids and instruments for effective teaching, group discussion and practical work. The laboratories with an adequate space, a good number of glassware, Chemicals and required instruments are available. Apart from that a Diagnostic & Research Laboratory at adjoined Teaching Hospital is also a good facility and opportunity for the students. The Animal House of small animals is being maintained and monitored for research orientation and Research Projects. The College typically offers undergraduate, graduate, and professional degree programs designed to prepare students for careers in areas like public health, food safety, food technology, dietetics, and sustainable food production.

Further, the college focuses on understanding human nutrition, the nutritional value of food, the science of food processing and preservation, and the role of diet in preventing and managing diseases. Students receive a comprehensive education that combines theoretical knowledge with practical training in laboratories and fieldwork. In addition to education, many such colleges also engage in research to address pressing global challenges related to food security, nutrition, and health, and provide community outreach programs to promote better nutrition and wellness.

In short, the College of Nutrition and Food Science plays a key role in improving public health by educating professionals who are equipped to tackle complex issues in nutrition, food science, and food policy. In addition, Researchers will be exposed to the main aspects of Nutrition including safety practice and standards through the published data to provide additional opportunity for access to and advanced standing in existing tertiary level education programs.

SCOPE & CAREER OPPORTUNITIES

- Nutritionists
- Nutrition Educationists
- Nutrition Consultants
- Dieticians
- Public Health Nutritionists
- Clinical Dieticians
- Food Inspectors / Food Quality Control
- Food Scientist/Technologist
- Nutrition and Health Expert
- Weight Management Expertise
- Therapeutic Diet Planning

PUBLIC SECTOR

- Public Health Departments
- School Health & Nutrition Programs
- Research and Teaching Institutes
- International Organizations: UNICEF, UNDP, WHO, FAO,
- World Bank
- Non-Governmental Organizations
- Community Development Program
- Motivational speaker

PRIVATE SECTOR

- Multinational Companies
- Independent Private Practice
- Food Industries
- Pharmaceuticals Industry
- Hospitality industry
- Consultant for Private Companies and Hospitals
- Airlines and Railways Services
- Catering Services
- Health Care Centers

FOREIGN COUNTRIES

- Public health departments in Middle East, Europe etc.
- Independent Private Practice as registered dietetics.

Objectives of the College of Nutrition and Food Sciences

The College of Nutrition and Food Science aims to provide high-quality education, conduct impactful research, and foster community engagement in the fields of nutrition, food science, and public health. The key objectives of the college include:

1. **Provide Quality Education:**

Offer comprehensive undergraduate and graduate programs that equip students with theoretical knowledge and practical skills in nutrition, food science, dietetics, and public health.

Prepare students for professional careers in nutrition, food safety, food production, public health, and research, ensuring they are well-equipped to address global challenges.

2. **Promote Research and Innovation:**

Foster a strong research culture in nutrition and food science by encouraging students and faculty to engage in cutting-edge research that addresses current issues like food security, sustainable food systems, and health.

Focus on innovative solutions in food technology, nutrition therapy, food safety, and sustainable agricultural practices.

3. **Enhance Public Health and Community Impact:**

Develop and implement programs that improve community health through nutrition education, disease prevention, and food safety awareness.

Collaborate with public health organizations and policymakers to develop and promote effective nutrition and food policies that benefit global and local communities.

4. **Advance Sustainable Food Systems:**

Contribute to the development of sustainable food production systems that are environmentally friendly, economically viable, and socially responsible.

Educate students and communities about sustainable agriculture, food waste reduction, and eco-friendly food practices.

5. **Cultivate Global Partnerships and Collaboration:**

Establish partnerships with national and international organizations, universities, and industries to provide students with real-world experiences, internships, and collaborative research opportunities.

Participate in global discussions and initiatives related to food security, nutrition, and public health to shape global policies and practices.

6. **Support Lifelong Learning and Professional Development:**

Offer continuous education and professional development opportunities for graduates, helping them stay updated with the latest advancements in nutrition, food science, and health.

Foster a culture of lifelong learning, where students, faculty, and professionals continually enhance their expertise.

7. Promote Interdisciplinary Learning:

Encourage an interdisciplinary approach to learning, where students gain knowledge and experience from various related fields such as public health, environmental science, food technology, and business management.

Provide opportunities for students to work in teams and collaborate across disciplines, enhancing their problem-solving and leadership skills.

8. Encourage Ethical and Social Responsibility:

Instill in students the importance of ethical decision-making and social responsibility in their professional practices, especially when addressing issues like food insecurity, nutrition, and health disparities.

Promote awareness of cultural, socioeconomic, and ethical considerations in nutrition and food practices.

FEES STRUCTURE	
BS Part – I Nutrition & Food Sciences - 2025	
Admission Fee (Once)	50,000/-
Tuition Fee (Rs: 100,000/- per semester)	200,000/-
Exam Fee (Rs: 7500/- per semester)	15,000/-
Security Fee (Refundable)	10,000/-
Enrollment Fee (Once)	3,000/-
ID Card Fee	500/-
Library Fee	1,000/-
Documents Verification Fee	3,000/-
Prospectus & Application Form Fee	2,500/-
TOTAL	285,000/-

'Rules For Payment of Fees
<ol style="list-style-type: none"> 1. All the fees once deposited are non-refundable. 2. Fee for the remaining years shall be paid at the start of each semester. 3. The fee is subject to revision by the SRCNFS, Tando Adam, Sindh, at any time. 4. The candidate who fails to clear his/her dues within stipulated time period his/her exam form will not be forwarded to Controller of Examination, University of Sindh, Jamshoro and shall not be allowed to appear in the examination.

Admission Policy *(Formula for Working out the Overall Merit)*

The weight age assigned to the Pre-entry test and previous academic record will be as under:

i)	S.S.C	10%
ii)	H.S.C (adjusted marks)	40%
iii)	Pre-Entry Test	50%

Eligibility Criteria

- Pre-requisite: H.S.C. (Pre-Medical Group) with 50% marks.
- Suleman Roshan College conducts the Pre-Entry test.
- To be eligible for admission, candidates must register on the Suleman Roshan College of Nutrition and Food Sciences admission portal .
- Candidates must submit required documents such as their CNIC, domicile, and educational transcripts.

ENTRY TEST

The test paper will consist of **FIVE PARTS** as follows:

Section 1. English: 30%

Similar and Opposite Meaning of Words, Correct Spelling, Active/ Passive Voice, Direct/Indirect, Tenses and Prepositions

Section 2. General Science: 20%

Basic Knowledge of Science, Physics, Chemistry, Biology and Computer

Section 3. General Knowledge: 20%

World Knowledge, Pakistan Studies, Islamiyat

Section 4. Simple Arithmetic: 20%

Simple Arithmetic, Fractions, Percentage, Average

Section 5. Intelligence Questions (IQ): 10%

World Problems, Shape Problems

ENGLISH

Choose the word most similar in meaning to the capitalized ones.

1. GIGANTIC

(A) Huge (B) Enormous (C) Bright (D) None of these

Choose the word most nearly opposite in meaning to the capitalized ones.

2. ACCELERATE

(A) delay (B) risk (C) monitor (D) deny

Choose the word that is spelled correctly.

3. (A) Knowladge (B) Knowlidge (C) Knowledge (D) Knoledge

Choose the appropriate options which are given below each question that completes the meaning of the given sentence.

4. Mountain is covered _____ snow.

(A) by (B) with (C) of (D) None of these

GENERAL SCIENCE

5. What is the Chemical formula of water?

(A) H₂O (B) Al₂O₃ (C) H₂O₂ (D) NaAlO₂

6. What is the SI unit of force?

(A) Meter (B) Newton (C) Pascal (D) Second

7. A rectangle with _____ sides of equal length is called a square.

(A) 3 (B) 4 (C) 5 (D) 6

8. Keyboard of a computer system is _____.

- (A) Software (B) Rubberware (C) Firmware (D) Hardware

GENERAL KNOWLEDGE

9. The currency of Saudi Arabia is _____.

- (A) Riyal (B) Rupees (C) Dirham (D) Dinar

10. Which Surah of Holy Quran has TWO times Bismillah?

- (A) Surah Baqarah (B) Surah Tauba (C) Surah Al-e-Imran (D) Surah Namal

11. Who is the head of the Government of Pakistan?

- (A) Chief Justice (B) Speaker of National Assembly (C) Prime Minister (D) Chief Minister

12. What is the old name of Hyderabad, Pakistan?

- (A) Neroon Kot (B) Gandhara (C) Khuda Abad (D) Lyallpur

13. Pakistan's National Flower is _____.

- (A) Sun flower (B) Jasmine (C) Rose (D) Daffodils

14. Which barrage is not located in Sindh?

- (A) Guddu Barrage (B) Sukkur Barrage (C) Kotri Barrage (D) Chashma Barrage

MATHEMATICS

15. Fraction of 20% is:

- (A) $\frac{1}{8}$ (B) $\frac{1}{5}$ (C) $\frac{1}{25}$ (D) $\frac{1}{4}$

16. $0.005 \times 0.0003 =$ _____.

- (A) 0.0015 (B) 0.00015 (C) 0.000015 (D) 0.0000015

17. How many feet are there in 7 meters? If 1 meter = 3.281 feet.

- (A) 20.967 (B) 21.967 (C) 22.967 (D) 23.867

INTELLIGENCE QUESTIONS (IQ)

18. Choose the correct answer for the blank star.

- (A) 32 (B) 64 (C) 256 (D) 24

8. <input type="radio"/> A <input checked="" type="radio"/> B <input type="radio"/> C <input type="radio"/> D <input type="radio"/> E	16. <input type="radio"/> A <input checked="" type="radio"/> B <input type="radio"/> C <input type="radio"/> D <input type="radio"/> E	24. <input type="radio"/> A <input checked="" type="radio"/> B <input type="radio"/> C <input type="radio"/> D <input type="radio"/> E

HOW TO FILL THE ANSWER SHEET

ONE PAGE PRINTED ANSWER SHEET (RESPONSE SHEET) IS PROVIDED TO ANSWER THE QUESTIONS.
USE ONLY 2 B PENCILS TO SHADE/FILL THE CIRCLES.

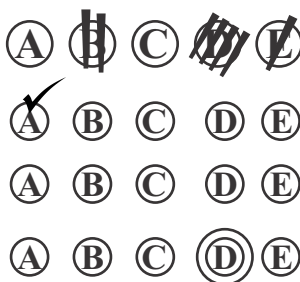

HOW TO FILL AN ANSWER SHEET

Sheet contains five circles containing five options of answer for one question, containing alphabets from A to E. Inside, against each question number, the candidate has to completely shade/fill one circle that he/she thinks is correct. For example, the candidate feels that the correct answer of the given question 6 is 'A' then he/she may shade/fill the circle containing alphabet 'A' with 2 B pencil like this:

“A” Filled

INCORRECT FILLING

PERSONAL DATA ON ANSWER SHEET

The Answer Sheet contains personal data of candidate on the sheet. It has candidates: Name and Roll No. The candidate is required to critically check these fields and sign in the required space for signature. If any field of personal information is found incorrect, the candidate MUST inform the invigilator present around.

INSTRUCTIONS

Note: Response sheet is to be signed by the invigilator as well as by the candidate in respective blocks with BLACK/BLUE ball pen only.
Write your NAME/SEAT NUMBER and DATE with BLACK/BLUE pen only.
Don't use PEN or FELT TIP PEN while marking answers on response sheet.
USE 2B PENCIL TO SHADE/FILL THE APPROPRIATE CIRCLE/ANSWER.
Do not bend or fold your response sheet, do not make stray marks or mark any area outside the circles provided.

MISCELLANEOUS

1. Use your time efficiently and at a premium. Do not spend too much time on one question, you may run short of time for other questions.
2. Return Question Paper along with Response Sheet on completion of TEST.
3. You are not allowed to take any part of QUESTION PAPER or NOTE QUESTIONS elsewhere. Noncompliance will be regarded as cheating.

You are not allowed to bring mobile phones in Examination Hall.
